Dates: July 2022 - Present

Web Designer, WordPress, WooCommerce, and Shopify Expert

In my role at biditlab.com, I specialize in web design and act as an expert in WordPress, WooCommerce, and Shopify. I manage and maintain a diverse range of projects, including WooCommerce multivendor websites, drop-shipping websites, blogs, and news sites, as well as magazines and publications. My responsibilities encompass crafting and optimizing online solutions that cater to the unique needs of each project, ensuring their success and seamless operation.

www.atech.com.bd

Dhaka, Bangladesh

Dates: April 2024 - Present

Web Designer and SEO Specialist

As a Web Designer and SEO Specialist at ATech.com.bd, I craft visually appealing websites while ensuring they rank high in search engine results. By blending design finesse with SEO strategies, I create digital experiences that captivate audiences and drive meaningful engagement. My goal is to deliver websites that not only look great but also perform exceptionally well, helping our clients stand out in the competitive online sphere.

Education

BBA - Dept. of Finance And Banking
Hajee Mohammad Danesh Science & Technology University
Dinajpur-5200.
Jan 2019 - Present

I successfully completed my graduation at Hajee Mohammad Danesh Science & Technology University, located in Dinajpur (5200), majoring in the Finance and Banking department. This academic journey provided me with a strong foundation in finance and banking, and I am now equipped with the knowledge and skills necessary for a career in this dynamic field.

Web Design & Development

Learning & Earning Development Project | ICT Division
January 2019 - December 2019

I successfully completed my Web Design and Development program at the Learning & Earning Development Project under the ICT Division from January 2019 to December 2019. During this program, I acquired valuable skills and knowledge in web design and development, equipping me with the expertise to create engaging and functional websites. This experience has not only expanded my skill set but also deepened my passion for web development and its ever-evolving possibilities.

WordPress Website Development

Learn Freelancing with Fun (LFWF) Academy, Dinajpur.
January 2019 - June 2019

I successfully completed my WordPress website design and development programme at LFWF Academy from January 2019 to June 2019. During this comprehensive training, I honed my skills in creating and customizing websites using WordPress, one of the most popular and versatile platforms in the industry. This experience has empowered me to design and develop functional, user-friendly websites, further fueling my passion for web design and development.
